Screenshot of Student feedback form

The Feedback Analysis Committee of the institution designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues.

The feedback forms were collected from students on several aspects of curriculum and its learning related issues in terms of quality, competence, skills and professionalism. This feedback also considers other issues like delivery of curriculum by teachers.

The report of feedback analysis is submitted to feedback commette of the college than the feedback report was forwarded to IQAC for necessary action and thereafter the analysis is shared with all constituent department heads and they are instructed to take necessary measures and actions as to comply with the issues raised by the learners.
