

Gender Sensitization Plan 2020-21

The primary objective of any sensitization program is to organize and to create awareness among the students about their identity as an individual. This is especially true for the girl students about their individuality. The college realizes that the success of any genders are equally involved in the process and respect for all identities is developed in the minds of the students and staff alike.

Objectives:

- 1) To develop among the students an awareness about gender issues.
- 2) To sensitize students and staff in terms of gender equity.
- 3) To create gender sensitive environment.

Expected Outcome:

Increased sensitivity towards gender equity leading to a gender sensitive environment.

Action Plan:

1. To organize lectures of Experts who will enlighten the students to a historical understanding about the status of women and of all other genders.
2. To organize guest lectures and workshop in this topic.

Efforts made by the college towards Gender equity:

Sr.No.	Name of the programme	Date
