Department of Electronic Science
WEBINAR REPORT 2021-22

Department of Electronic Science, Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College Manchar, Pune organized webinar on "**Internet of Things IoTs) & Its Applications**" for Students and staff from other colleges also. The Webinar was held on **27th October 2021, 11.30 am - 1.00 pm on GoogleMeet.**

Respected, **Dr. Ulhas S Sonawane, Assistant Professor, ST Co-Op Education Society's Science Senior College, Shahada** was a Resource Person. The Webinar began at 11.30 am in the presence of all the members of the Electronic Science Department.

The webinar was hosted by Ms. Afroj M Dange, Assistant professor at Department of Electronic Science, also with brief introduction of the Chief Guest and welcomed all the participants.

The Webinar witnessed an active participation from Electronics students from our college and other college also. Nearly **101 participants** joined the webinar virtually.

Dr. Ulhas S Sonawane delivered his presentation on "**Internet of Things (IoT) and Its Applications**". He also highlighted his points on IoT Contributions for constraining Covid-19 and the Era of Digitized Objects. He discussed the importance of other prominent digital technologies apart from IoT like Artificial Intelligence, Blockchain etc. as a tool for fight against this pandemic. He stressed on the point that everything is becoming automated, accelerated and augmented and in the near future objects will communicate more often than now. Lastly, he explained about additional IOT device capabilities like the advantages of using robots and drones in this vulnerable situation. Also, he guided students on career in IoTs.

The session was very much informative. The discussed areas were of great benefit for the participants as the topic was very much relevant with the current scenario and working domain. Participants were enlightened with the most widely used advance technologies in this domain. The webinar ended with Questionnaire session followed by vote of thanks. Feedback for the session was also collected and E-certificate was distributed to all the active participants.

Our Vice Principal, Prof. Dr. A B Nikumbh Addressed to participants as a presidential speech.

Prof. S A Belage proposed the formal vote of thanks.

Outcome:

These 50 minutes webinar provided great benefit for participants in IoT fundamental concepts and how to accelerate IoT business value, as well as the technical considerations for successfully developing and to implement IoT solutions for Covid-19 scenario.
