## **Anti-ragging Committee**

### **Annual Report: 2023-24**

To ensure a safe learning environment, the college has taken the initiative to establish an anti-ragging cell. In current academic year to ensure a safe academic atmosphere, all students and their parents must complete an Anti-Ragging Affidavit during the college admission process. As per the guidelines of UGC, posters should be put up in college premises to create awareness about ragging. In this academic year, a self-defense training workshop was organized in association with the student forum and gymkhana department in which 82 girl students of the college participated. The committee member's supervision has integral to maintaining a well-organized and efficient educational environment.

required to sensitize our girl child/students to self-protect themselves in public places as well as at home. He also pointed out that this is the demand of the hour as we can relate ourselves to the news items of domestic violence, eve-teasing cases and other severe forms of violence against women and children which is pouring in on a day to day basis.

- Second tip: Get Loud and Push Back
- Third tip: Remember the Most Effective Body Parts to Hit.

### Learning Outcome:

The learning outcomes from the workshop on Self Defence Programme are:

- 1) The students learnt about the different kinds of violence that may be faced by girls or by women in any place including at home.
- 2) The student participants got different self-protection tips on how to avoid/defend by attacking a potential attacker by using objects or by striking on the soft spots of the attacker, when subjected to physical abuse, violence, crime, etc.
- 3) The workshop concludes with a note on the promise from both the sides that these kinds of workshops will be continued in the times to come.
