It also focuses on agricultural and pharmaceutical research by utilizing the resources available and as per the need of the area.

About the Conference

The conference "Exploring Innovations in Life Sciences" gathers leading experts, researchers, and professionals from the life sciences sector. The conference aims to foster collaboration and exchange of ideas to drive innovation in the field. The conference covers various topics, including biotechnology, pharmaceuticals, healthcare, and more. Attendees have the opportunity to learn about the latest advancements in life sciences, network with industry peers, and participate in hands-on workshops and presentations. The conference also features keynote speakers who are renowned experts in their fields. These speakers share their insights and experiences, providing valuable perspectives on the future of life sciences. Overall, the conference is a valuable platform for individuals & organizations in the life sciences sector to stay updated on the latest trends and innovations, collaborate with peers, and drive positive change in the industry.

Conference Objective

- To promote the exchange of innovative ideas, research findings, and best practices among professionals in the life sciences community, fostering collaboration and knowledge sharing.
- To encourage interdisciplinary collaboration between professionals from various fields within life sciences, such as biotechnology, pharmaceuticals, healthcare, and academia, to address complex challenges and drive innovation.
- To highlight the latest technological advancements, research breakthroughs, and innovative products and services in the life sciences sector, providing attendees with insights into emerging trends and opportunities.
- To encourage attendees to consider the broader societal impact of their work and explore ways to harness the power of innovation in the life sciences industry to address global challenges, such as healthcare access, environmental sustainability, and public health.
- This interaction enables participants to stay updated on the latest advancement in their respective fields.

Call for Papers

- Insightful papers with theme of conference at the focal point are invited.
- Selected papers will be published in reputed **Scopus Index, Web of Science and UGC Care** listed journal after the conference.
- Paper will be accepted only when it has not been published, copyrighted, presented or accepted elsewhere and having less than similarity index upto 10%.
- **The fees for paper publication will have to be paid separately by each author who want to publish their papers and if selected by the Publisher.**

Submission of abstract: Maximum 250 words including authors name and mailing address in times new roman (font size 12, line spacing 1.5).

CONFERENCE REPORT

Title : Exploring Innovations in Life Sciences (ExILS-2024)
Organizers : Department of Zoology and Botany
Date : 23rd March 2024, Saturday
Venue : Karmaveer Auditorium, Ground floor, Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College, Manchar

INTRODUCTION:

The Department of Zoology organised the One Day Hybrid International Conference on Exploring Innovations in Life Sciences (ExILS-2024), which was held on March 23, 2024 at Rayat Shikshan Sanstha's Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College, Manchar. Students, academics, researchers, and industry experts gathered at the conference to examine and deliberate on the most recent developments, innovations, and prospective paths in the realm of chemical science and technology. The conference featured one keynote address, four plenary sessions, and sixty-three oral and poster presentations. The conference was attended by an estimated 311 students and delegates, who were registered and represented various disciplines of biological sciences from over 20 colleges.

KEY OBJECTIVES:

1. To emphasise and deliberate on advancements in the field of biological sciences and technology.
2. To promote interdisciplinary cooperation and the exchange of knowledge among professionals and researchers.
3. To exhibit cutting-edge technological advancements and research that tackle present-day issues.
4. Inspire and motivate individuals to make contributions towards the progression of life sciences.

CONFERENCE PROGRAM:

Keynote addresses, panel discussions, oral and paper presentations comprised the conference agenda. Keynote addresses were delivered by esteemed specialists and academicians, who provided insights into current research, developments, and future potential in diverse subdisciplines of chemical science and technology.

Details of the esteemed experts are as follows:

Sl. No.	Name of Resource Person	Title of the Talk
1.	Dr. Sakharam B. Patil Ph.D., Principal, Dadasaheb Jotiram College of Arts, Commerce & Science, Vaduj, Satara	Exploring Innovations in Life Sciences
2.	Dr. Gunvant. B. Patil Ph.D., Assistant Professor, Institute of Genomics for Crop Abiotic Stress Tolerance (IGCAST), Texas Tech University, Texas	Sustainable technologies to improve nutrient uptake in crops through single cell and gene editing tools
3.	Dr. Balasaheb V. Sonawane Ph.D., Post Doctoral Researcher, University of Illinois, Urbana-Champaign, IL	Exploring and utilizing plant ecophysiological traits in improving crop productivity and water use efficiency
4.	Dr. Bhalchandra B. Waykar Ph.D., Professor, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad	Agricultural Sustainability through Beekeeping
5.	Ms. Geetanjali Gone Ph.D. Scholar, Chemical Biology Lab, Department of Biopharmaceutical Convergence, Sungkyunkwan University, South Korea	Exploring the anti-diabetic potential of Quercetagitrin through Dual inhibition of PTPN6 and PTPN9
6.	Dr. Ramgopal Devdas Ph.D. Scholar, Indian Council of Agricultural Research RC NEHR, Sikkim Centre, Tadong, Sikkim	Plant Variety Protection in Crops and Orchids (Indian Perspectives)

The keynote address and plenary sessions facilitated comprehensive dialogues on subjects including the application of molecular techniques to safeguard orchid varieties, the utilization of sustainable technologies to enhance crop quality, gene editing tools, and beekeeping. Additionally, the conference explored the potential of natural resources to combat diabetes.

Inaugural Function: The session began with the floral tribute to the idols of Padmabhushan Dr. Karmaveer Bhaurao Patil and Sou. Laxmibai Bhaurao Patil. Mr. V. S. Kumawat, Associate Professor, Dept. of Botany, briefed on the conference and introduced the guests to the participants. This was followed by the felicitation and welcoming of the guests. The Abstract Book Proceedings with E-ISBN 978-81-962293-3-7 and P-ISBN 978-81-962293-2-0 have been published by the dignitaries. Prof. Dr. Sakharam B. Patil has inaugurated the ceremony and has delivered the key note address. Prin. Dr. N. S. Gaikwad delivered presidential speech. Vote of thanks for the inaugural session was proposed by Ms. H. J. Gavit.

Oral & Poster Presentations: A total of 63 academicians and researchers delivered oral presentations on their original research findings. Emerging trends in the life sciences and technology were discussed at length, including but not limited to nanotechnology, biodiversity, and innovative concepts.

Networking Opportunities:

The conference brunch, networking sessions, and breaks afforded attendees the chance to interact with and network with peers, colleagues, and industry experts. Collaboration discussions, the exchange of ideas, and the formation of professional connections across sectors and institutions were all facilitated by informal conversations.

Valedictory Function: Dr. S. N. Bolbhat, Convenor, extended a warm welcome to the chief guest and Mr. S. T. Pokale has introduced the Chief guest Prof. Dr. R. D. Chaudhary, BOS Chairman, Zoology, SPPU, Pune. Dr. R. D. Chaudhary gave valedictory address. The winners of the oral/paper presentation were declared and certificates were distributed by the dignitaries to the participants. Vote of thanks for the inaugural session was given by Dr. S. S. Patil, Coordinator of the conference.

Conclusion: ExILS-2024, the One Day Hybrid International Conference on Exploring Innovations in Life Sciences, effectively convened a heterogeneous assemblage comprising students, scholars, researchers, and industry experts. The occasion furnished a vibrant setting for the examination and discourse of state-of-the-art advancements and prospective trajectories in the realms of life sciences and technology. As attendees disperse to their individual pursuits, it is expected that the knowledge acquired and relationships forged throughout the conference will persistently stimulate originality and advance advancements in the discipline.

Acknowledgments: The conference organisers would like to express their profound gratitude to all attendees, keynote speakers, presenters, and volunteers for their invaluable assistance in ensuring the conference's success. For their support and assistance in organising the event, we would also like to thank the Hon. Principal, Dr. N. S. Gaikwad, the Head and Convener, Dr. S. N. Bolbhat, Vice Principal (Science), and Mr. S. T. Pokale, HoD, Zoology. The program was hosted by Ms. H. J. Gavit.
