REPORT

Title : **National Voter Day**

Organizer : **Department of Political Science**

Date : **25/01/2025**

INTRODUCTION:

National Voters' Day (Rashtriya Matdar Divas) is celebrated annually on January 25th to mark the significance of voting and to encourage citizens, especially the youth, to participate in the electoral process. This day highlights the fundamental role of elections in a democracy and serves as a reminder of the power every citizen holds in shaping the nation through their vote. Rashtriya Matdar Divas was first observed on January 25, 2011, by the Election Commission of India. The date was chosen to coincide with the foundation of the Election Commission of India, which was established on January 25, 1950. The purpose of this day is to create awareness about voting rights and to encourage citizens to exercise their right to vote responsibly. National Voters' Day holds immense importance in strengthening India's democracy. As the world's largest democracy, India benefits from the active participation of its citizens in elections.

OBJECTIVES:

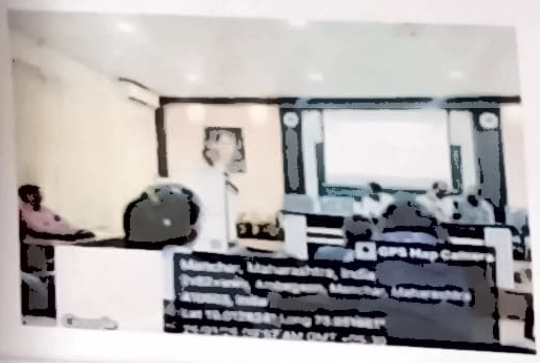

1. To create awareness among the students about the process of voting.
2. To inspire young voters, particularly those who have turned 18, to register and vote in elections.
3. To inform students about the electoral process, voter rights, and the responsibilities that come with voting.
4. To facilitate and encourage the registration of new voters, particularly those in rural areas or from marginalized communities, so that they can exercise their democratic rights in elections.

Activities run under National Voter Day Programme

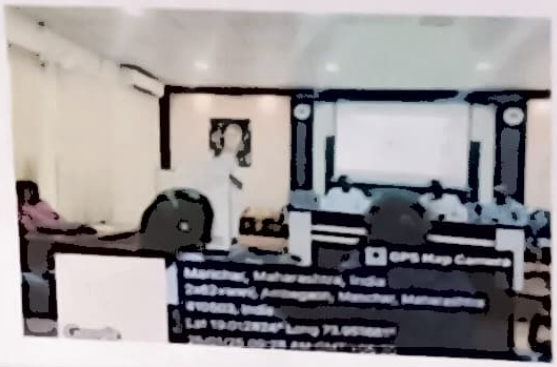

1. Guest lecture on importance of National Voter Day

The program began with a warm welcome to the distinguished guest, Dr. Santosh Pawar, the of Annasaheb Awate College. Dr. Pawar delivered an inspiring speech emphasizing the importance of voting as a fundamental rights and a vital civic duty in a democratic society. He stressed that the participation of each citizen in elections is critical in shaping the nation's future and ensuring that the values of democracy

are upheld. Dr. Pawar also encouraged students, particularly the youth, to be proactive and informed voters, highlighting the role of their generation in driving positive change in India. Dr Ezaz Shaikh delivered the speech on Psychology of Voters and Dr. G.C.Wagh delivered the speech on Voters in Democracy.

Conclusion:

The National Voter Day programme held on January 25, 2025, was a significant step in raising awareness among the youth about the importance of voting and their role in the democratic process. Through the guest lecture, pledge-taking activity, and essay writing competition, students were able to engage with the concept of voting in a meaningful way. The event successfully met its objectives, encouraging new voters to register and participate in elections. The involvement of 65 students is a clear indication of their increasing awareness and responsibility toward exercising their right to vote.

The Department of Political Science plans to continue organizing such awareness programs in the future, with a focus on ensuring that every eligible citizen, especially youth, understands the value of their vote in shaping the future of India.
