The Constitution Day was celebrated on 26th November by the Department of Political Science and the National Service Scheme (NSS) Unit of the college with great enthusiasm and respect. The program commenced with floral tribute and homage to Bharat Ratna Dr. Babasaheb Ambedkar, the chief architect of the Indian Constitution. All the dignitaries, faculty members, and students paid their respects to his invaluable contribution to the nation. On this occasion, the Honorable Principal, Dr. N. S. Gaikwad, led the collective reading of the Preamble of the Constitution. The reading created a sense of awareness and responsibility among the students towards the values of justice, liberty, equality, and fraternity.

Dr. B. S. Tonde, Head of the Department of Political Science, addressed the gathering and explained the importance, objectives, and relevance of the Preamble. He highlighted how the Constitution serves as the backbone of Indian democracy and emphasized the role of youth in upholding constitutional values. The program aimed to create awareness about constitutional rights and duties among students and to inspire them to become responsible citizens. Various points related to the significance of Constitution Day, democratic values, and ethical responsibilities were also discussed during the session. A total of 88 students actively participated in the program. Faculty members and students were present in large numbers, making the event meaningful and successful. The program concluded with a vote of thanks proposed by Prof. Sachin Pardhi, who expressed gratitude to the Principal , peakers, faculty members, and students for their active participation and support. Overall, the Constitution Day celebration was informative, inspiring, and successful in spreading awareness about the importance of the Indian Constitution.

Conclusion:

The seminar on Indian democracy has provided valuable insights into the challenges and opportunities that shape the political landscape of India. From discussing the diverse electoral processes to addressing the need for transparency, the importance of inclusivity, and ensuring equal participation, it's clear that while Indian democracy has made significant strides, there are still areas that require improvement.
