REPORT

Title : **"Educational Tour 2024-25"**

Organizers : **Department of Geography**

Date : **10/02/2025 (Monday) to 12/02/2025 (Wednesday)**

Route : **Manchar- Raigad Fort – Ganpatipule – Ratnagiri – Kolhapur - Manchar**

Educational Tour, usually programmed for studying Geography outside the traditional classrooms, where the students visualize and achieve the original knowledge of places and works which they have learned in the books and gain the knowledge of observation, evaluation, and data collection and so on mainly for educational purposes. The fundamental purpose of the excursion is opening up an observational analysis for educational and non-experimental research and providing the students with experiences outside their everyday activities, such as camping with teachers and their classmates, collecting the samples and finally gaining a clearer concept by interrelating them with their textbook knowledge. Supporting this initiative, Department of Geography organized three-day Educational Tour at above rout.

KEY OBJECTIVES:

1. To provide students with hands-on, real-world experiences of Geographical features and processes by visiting different locations.
2. Allowing them to directly observe and analyze elements like landforms, ecosystems, human settlements, and their interactions, thereby reinforcing classroom learning.
3. To bridge the gap between theoretical knowledge and practical application in a specific Geographical context.
4. To encourage students to explore their academic interests.
5. To acquaint the students with the facilities provided by college and provide them with the means to access the intellectual and physical resources of the institutions.
6. To stimulating social integration of students among themselves and with teachers.
7. To make students aware of their values and responsibilities.
8. To enhance Report writing skills.

PROGRAM OVERVIEW:

Department of Geography has arranged Educational tour on the route from Manchar-Raigad- Ganpatipule- Ratnagiri – Kolhapur – Manchar which travels through Western Ghats to Kokan Region to sea level, the main focus behind the selection of route is inculcation of Geographical locations, sites and Physiographical changes. The Educational Tour was organized during 10th of February to 12th of February 2025.
