**Department of Electronic Science**  
**Avishkar 2023-24**

Annasaheb Awate College conducted an Avishkar Competition for various stream students, to participate in this competition on **29<sup>th</sup> February 2024** from the Department of Electronic Science, 8 projects and 14 students participated along with a model and poster.

The **objectives** of this competition are for students

- 1] to understand the project's structure and flow.
- 2] To present their final year project.
- 3] To build confidence and to make students' resumes strong which will be helpful in their placements.

Maintaining and encouraging this enthusiasm and positive attitude towards research. Student presented their final year project under the guidance of their mentor. Department-wise papers are evaluated based on the project's presentation skill, knowledge, and prototype model. Judges selected the best 2 projects as winners from each department and were motivated with some exciting prizes and certificates.

**Outcomes:** This competition gave a platform for evaluating final year projects & Students got live experience of project presentation.

**Enclosure:**

- 1] Project List
- 2] Photos
- 3] Students 'project feedback
