**Students Satisfaction Survey Report 2021-22**

The feedback committee of the college takes the feedback from stake holders, employer & parents for the enhancement of quality education and requisite infrastructural facilities of the institute. In the academic year 2021 – 2022 the various types of feedback forms like Students Satisfactory Survey, alumni feedback on curriculum, employee feedback on curriculum, parent's feedback on curriculum, alumni feedback on curriculum, student's feedback on curriculum and teacher feedback on curriculum was made available on college website.

The students are an integral part of the institution. In order to capture the experiences of students for the academic session 2021-2022, a questionnaire of 21 parameters has been framed and forwarded online. The questionnaire of the survey includes 21 questions to which responses are given anonymously by the students of the institution with the help of Google Forms. The survey components include institute level feedback on infrastructure and learning experiences. Student Satisfaction Survey was conducted during the month of July 2022.

The outcome of the survey will help to reach the objective of the institution. This will also help to initiate remedial action to improve the facilities whenever and wherever it is required. The result of the survey will provide a base to plan for the future.

The survey questions include the parameter like facilities, syllabus, redressal of grievances, course outcomes and related activities in the college revealed that the students are highly satisfied. At the same time the students highly appreciated and satisfied with the implementation of learning outcome-based curriculum which includes communication of teacher with students, teaching methodology, seminar works and it follow up made by the faculty throughout the semester.

Feedback was prepared with the help of questionnaires. Total 473 feedback forms were collected from students in academic year 2021-22.
