About the Parent Institution

Rayat Shikshan Sanstha was established by the great social reformer Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919 with the motto- Education for masses is principal instrument and the tool for eradication of all-pervasive social evils and desirable effective social change. The vision of the institute- "Education through self-help is a significant and chief drive of social change to achieve different tasks of nation building by establishing social equality and social justice". At present the institution is working with the network of 772 branches spreading over 15 Districts of Maharashtra & one District of Karnataka including colleges, ITI's, High Schools, Primary Schools, Pre-primary Schools, Hostels, Ashramshalas & others. The Sanstha operates through 8 administrative offices and has a strong workforce to cater the educational needs of 4.6 lakhs students.

Organizing Institute

Annasaheb Awate Arts, Commerce and Hutatma Babu Genu Science College, Manchar was established in 1966 & is run by the Rayat Shikshan Sanstha, Satara. The college is one of the leading colleges in Savitribai Phule Pune University, Pune that provides a quality education in Arts, Commerce and Science faculty. College offers 17 UG programmes and 9 PG programmes including Marathi, English, Economics, Commerce, Analytical Chemistry, Organic Chemistry, Botany and Physics. College is also having recognized research center for Botany, Chemistry and Economics along with these programmes the college also offer professional programmes like Biotechnology, B.Voc. in Account & Taxation and Food Processing & Quality Management, and BBA(CA). College is accredited by NAAC for the 3rd cycle in "A" grade with CGPA3.09.

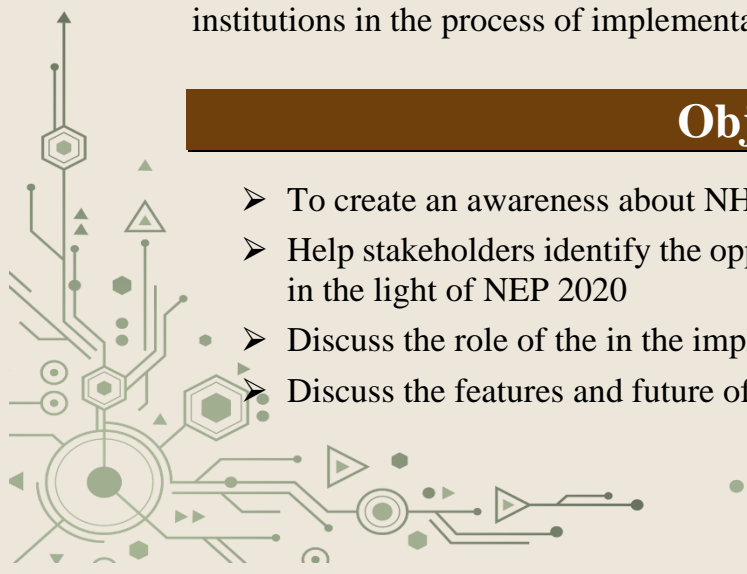

About the Workshop:

The National Education Policy 2020 (NEP) visions to reinstate India in the coveted position of world leader at the global level. It aims for an inclusive and equitable Education system and focuses on multi-disciplinary, holistic education with flexible curriculum, creative combination of subjects, integration of vocational education and multiple entries and exit points with appropriate certification.

This workshop is an attempt to provide a platform for thought provoking discussions that will articulate the roadmap and implementation strategies of NEP 2020. It aims to find solutions to the challenges that will be faced by educational institutions in the process of implementation of NEP 2020.

Objectives

- To create an awareness about NHEQF and FYUP
- Help stakeholders identify the opportunities and challenges in higher education in the light of NEP 2020
- Discuss the role of the in the implementation of NEP 2020
- Discuss the features and future of Four-Years Undergraduate program
