ABOUT SANSTHA

Rayat Shikshan Sanstha, Satara is one of the largest and foremost educational institutions in the entire Asian continent, established by late Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919 with the motto 'Education through self-help'. It caters the educational needs of downtrodden and economically weaker section of the society. It is spread over 14 districts in Maharashtra and one in Karnataka. It has more than 670 branches including 42 Colleges, 438 High schools, 80 Hostels (29 for the Girls), 42 Primary, 31 Pre-primary schools and 4,54,165 total students.

ABOUT COLLEGE

The college was established as Arts, Commerce College in June 1966 and it became a full-fledged institution with the inception of science streams in June 1983. It is affiliated to Savitribai Phule Pune University, Pune. The college has 105 acres area with agro forestry. Now it is a well flourished institution imparting higher education leading to bachelor and Master degrees in various streams. The college is committed to the upliftment of poor and rural students. The college authorities take utmost care and make every possible effort to maintain the academic standard of rural students. The college has well qualified staff, good location, spacious well equipped laboratories, huge infrastructure, enriched library, well equipped Gymkhana, Girls hostel, Computer training center and beautiful landscape with botanical garden and poly-house. College runs 13 UG courses including Biotechnology, BBA/CA and 5 PG courses including English, Organic Chemistry, Economics, Marathi and Commerce. The College is recipient of "The Best College Award" (2017-18) and "First Prize- Pune Rural" to Shivneri Magazine by SPPU, Pune (2011-12, 2014-15, 2015-16).

ABOUT THE DEPARTMENT

Along with establishment of the college, the department of English was also established in the year 1966 and later in June 1996 Functional English course started as a Self-Financing Course at U.G. level. In addition to this, we also run Post Graduation department which was started in the academic year 1982-83. The department has adequate space with the facilities such as well-equipped digital language lab, departmental library, Internet facility available for the students and the staff.

Well qualified, experienced and dedicated faculty engaged in academic as well as research activities is one of the strengths of the department. Effective use of ICT in teaching, consistently good results, innumerable students centered activities, frequent arrangement of experts' lectures, remedial teaching for weak students these are some of the highlights of academic efforts taken by the faculty. Our students are always inspired for research activities keeping them indulged in various projects and research oriented tasks. The department also runs Short Term Course in Communication Skills in order to make our students competent enough in the communication skills in English.

THEME OF THE SEMINAR

Communication skills are essential in any sphere of human interaction. In fact, when all is said and done, on whatever level, communication is the sole activity all people share. The benefits of effective communication are too numerous to list, for they enhance all aspects of life from the personal to the professional. The ability to communicate is vital to the success of any endeavour. Communication is the heart of every organization. Everything you do in the workplace results from communication. Therefore good reading, writing, speaking and listening skills are essential if tasks are going to be completed and goals to be achieved. The seminar is intended to provide the information of the importance and the scope of the effective communications skills as mentioned in the theme. The eminent academicians and research scholars are expected to enrich the theme with their techniques for improving the communication skills of the users in non-native contexts such as one we belong to. This seminar will not only mentor the scholars but also our faculties and students. It will also highlight some of the techniques to improve communications skills of non-native users such as the young researchers, students, and faculties.
