One Day Workshop on
“Recent Trends in Experimental Physics & Electronics”

The departments of Physics and Electronics have jointly organized the one day workshop on **“Recent Trends in Experimental Physics & Electronics”** as on 13th Dec 2019. Dr. Vijay Raybagkar, former Principal of SSR College, Silvassa, has delivered the opening lecture to all our students. He has covered all the aspect of experimental physics with lot of examples. Dr. Raybagkar sir interact with student and clear all the queries of the students. Even he discuss the other opportunities to carry the different projects in other institute. In second session, Dr. Shankar S. Kekade delivered the lecture on “Recent trends in materials Science”. He also covered all topics of materials science and nanotechnology. Give the clear idea of different synthesis methods for the nanoparticles, their characterization techniques and application of the nanoparticle. In third session, Dr. V. D. Kulkarni, Vice Principal, Hutatma Rajguru Mahavidhyalaya, Rajgurunagar covered topics of Nanotechnology, mainly the nanoparticles and explain their day to day life applications. In this workshop 38 students from AAC Manchar, 7 students from ACS College Narayangaon, and 9 students from H.R.M. College, Rajgurunagar attended lecture. Total 54 students of T. Y. B. Sc. Physics, Electronics and M.Sc. Physics were participated in this workshop. To organize this event, all the faculty of Physics, Electronic from AAC, Manchar; HRM, Rajgurunagar, and ACS Narayangaon involved. The student’s feedback about this program was taken.
