RESEARCH PROJECT

(This course will have *FOUR* credits)

(Only for Internal Students)

PREAMBLE:

Students who complete their post-graduation in Economics are mentally equipped to pursue research in the same discipline. It is generally accepted that research is nothing but extension and application of knowledge in a certain specialized field. Therefore regular students who do their post-graduation, as internal students will be given an opportunity to get exposed to a few elements of social research and also they are expected to complete a small research project under the expert guidance and supervision, Elementary knowledge of research methodology shall consolidate and deepen their understanding of various branches of Economics. Preparing a small dissertation is intended to train them in scientific thinking and art of systematic presentation. It is essentially a job-oriented exercise to enable them to take up the exciting field of social and economic research.

Part I: Internal IV Semester students shall submit a dissertation of minimum 8000 words & maximum 10,000 words in three copies to the Head of the Department on or before 30th April. The dissertation shall be prepared under the guidance of an internal postgraduate recognized teacher.

Part II: An internal supervisor shall assess each dissertation for out of 50 marks, based on the methodology, analysis, contents and quality of the dissertation.

Part III: A viva voce examination of each candidate shall be held where he/she will have to make a presentation of the dissertation and defend the research. A panel of two referees shall be formed out of whom one shall be an internal examiner.

The viva voce shall carry 50 marks. Internal & external examiners shall give out of 25 marks each. The copies of dissertation and the record of the viva voce examination shall be maintained by the centre for two more academic years for inspection. The Marks obtained for project work shall be included in the statement of marks of all the regular internal students.

Scale of Remuneration will be as per the University Guidelines.

External examiner will be appointed by the University.

Date: 10/04/2024

As a part of the curriculum of T. Y. B. Sc. and M. Sc. students industrial visit is mandatory therefore, our Department of Chemistry 45 students (22 T. Y. B. Sc. & 23 M. Sc.) and 05 faculty visited MAGS-IATRC Research & training Pvt. Ltd, Bhosari Pune, Savitribai Phule Pune University Pune and C-MET institute Pune. The visit was scheduled on Tuesday, 20th Feb. 2024 at 10.00 am to said institute for study purpose. The industry manager gave a very good company presentation demonstration of instrument HPLC and GC working at the beginning with different opportunities in pharmaceutical and chemical industry. Where as in CIF-SPPU Pune, Dr. S. K. Haram highlight different career opportunities in the research field and discussed how to enrolled for Ph. D. programme in various CSIR laboratories and universities. In the CIF OF SPPU Pune students are explore various instrument Brocker 500 MHZ NMR, FESEM-EDS, LCMS, GC-MS, TGA, XRD, Thermophoresis, AFM, ICPMS and Circular dichroism. The students are observed working of these instruments and did fruitfully discussion with operator. At last, we are visited centre for material for electronic technology Dr. Sudhir Arbuji guided to student about future opportunities and challenges in technology. We are very much thankful to Principal Dr. N. S. Gaikwad and the head of the Chemistry department Dr. A. A. Kale for the kind permission to organize an industrial visit. The faculty of chemistry Dr. R. B. Gawade, Dr. S. T. Shinde, Mrs. R.S. Pawar and Mrs. M. K. Quazi made a sincere effort to grant the success of the industrial visit.

Internship Report

Class: T.Y.B.Com.

21-23/04/2024

Introduction:

Internship is a crucial component of learning, allowing participants to gain practical experience and develop skills through direct engagement with the subject matter. This report explores the importance, benefits, and best practices of hands-on training.

Objectives of an Internship:

1. Practical Learning: Apply theoretical knowledge in real-world business scenarios.
2. Skill Development: Enhance skills like financial analysis, accounting, marketing, and communication.
3. Professional Experience: Gain exposure to workplace environments and business operations.
4. Networking: Build professional connections with industry experts.
5. Career Exploration: Understand various roles in commerce to choose a suitable career path.
6. Problem-Solving: Learn to tackle real-life business challenges effectively.
7. Workplace Etiquette: Develop professionalism and teamwork abilities.

Key Learnings:

The key learnings of a commerce internship program typically include:

1. Practical Accounting Skills: Understanding financial statements, bookkeeping, and managing budgets.
2. Business Operations: Insights into day-to-day business activities like sales, procurement, and logistics.
3. Financial Analysis: Analyzing market trends, investment options, and company performance.
4. Marketing and Sales: Learning strategies for promoting products, dealing with clients, and increasing revenue.
5. Software Proficiency: Hands-on experience with tools like Excel, Tally, SAP, or other financial software.
6. Communication Skills: Enhancing verbal and written communication for business correspondence.
7. Teamwork and Collaboration: Working effectively in teams to achieve organizational goals.
8. Customer Relations: Handling client interactions, complaints, and maintaining strong relationships.
9. Problem-Solving: Tackling real-world challenges and finding effective solutions.
10. Professional Etiquette: Adopting workplace ethics, punctuality, and discipline.

This program equips students with the skills and knowledge required for a successful career in commerce. Community Centric Approach

Innovative Solutions

Collaborative Spirit

Conclusion:

Internship is a valuable educational tool that offers numerous benefits, including practical skill development, enhanced learning outcomes, and increased engagement. By following best practices and incorporating hands-on activities into training programs, organizations can effectively prepare participants for success in their respective fields.
